

MISSING PERSON

Directions: Using what you know about McCandless' background and appearance in chapters 1-6, create an 8 ½ x 11 poster for Chris McCandless as a missing person.

The poster should include a graphic of what McCandless looks (possibly based on the photos in the book, a physical description of the man, and any other additional background, such as age, educational status, special talents, and anything else that could help locate him, his car, the date he was last seen, and other relevant information. Make your poster eye-catching. You may draw or use images from other sources to help you create the poster.

AND ONE MORE VERY IMPORTANT THING...

On the back of your poster (or on an attached sheet of paper), you must include a list of quotes and details (with proper citations) that reveal details about McCandless' life. Please list and organize your quotes/details by chapter number and collect as many as possible.
