Students must enroll in a class before they can begin using Turnitin. In order to enroll in a class the student must have the class ID and enrollment password which can only be distributed by the class instructor. Students can enroll in multiple classes from the same user profile.

How to create a new user profile and enroll in a class

1. Click the "Create Account" link to the left of the Sign in button on the Turnitin homepage

2. Click on the student link from the Create a New Turnitin Account screen

3. Enter your class id and enrollment password in the appropriate fields
